

An Alliance in Growth

OPTIMUM.

Optimum Re Insurance Company

A Promotion at Optimum Re

Monday, June 06, 2016

I am pleased to announce that the Board of Directors of Optimum Re has appointed François Duguay as Senior Vice President and Chief Actuary. In this expanded role, François will oversee the Pricing, Risk Management, Underwriting, Treaties and Research & Development departments of the company.

From now on, François will operate from our Dallas office and can be reached at 972.813.0968 or by email at francois.duguay@optimumre.com.

Over the last few years, Optimum Re has demonstrated substantial growth; both from a market share perspective and with regards to premium revenue. During this time, Optimum Re has also been recognized for its excellence in customer service.

I look forward to Francois' continued contribution to Optimum Re's success.
