A Newsletter that Helps Us Help You!

July 2018

Dear Client,

*D*id you know... that Optimum Re provides Electronic Funds Transfer for your Claim payments and other disbursements?

Why wait several days for a check to come by mail when you can have your disbursements (Claims, Premium refunds, etc.) electronically transferred into your Company's bank account within 1-2 days!

To take advantage of this value added service, please contact one of the Associates in our Client Services Department. They will be happy to send to you an authorization form for you to complete with your Company's banking information. Upon receipt of this form, our Accounting Department will set up the electronic funds transfer for all your future disbursements. Details of each disbursement will then be emailed to any one you choose when it is processed.

We are hopeful that you pursue this offer and look forward to working with you to do so.

Thank you for the opportunity to serve you.
